WORK EXPERIENCE

PROMO-SOFT

2015 - CURRENTLY

BARCELONA

- Intern (2015) – Started as an intern, contributing to both frontend and backend tasks (willingness to learn, adaptability).
- Junior frontend developer (2015–2018) – Focused on UI development using jQuery and Bootstrap. Also collaborated on backend tasks with SQL, Java, and Delphi (versatility, teamwork).
- Mid-senior frontend developer(2018–2021) – Took on frontend ownership. Researched and adopted modern architectures using React, TypeScript, and tools like npm, Vite, Next.js. Introduced Git and supported DevOps integration with Docker, Jenkins, and Kubernetes (proactivity, technical leadership).
- Frontend lead (2021–2025) – Leading the frontend team. All new applications are built with modern technologies. Legacy systems were progressively refactored into scalable, maintainable solutions (long-term vision, ownership).
