ENGLISH

WORK EXPERIENCE

💼 **PROMO-SOFT**   2015 - CURRENTLY
BARCELONA

- Manager and responsible for the frontend area (commitment, goal orientation).

- Development of countless applications, using multiple libraries and languages, either front and backend (teamwork, creativity).

- App development using jQuery, bootstrap and currently using Typescript, React and Tailwind (readiness to learn).

- Responsible for carrying out the analysis and design of the projects and choosing the tools and technologies that it deems appropriate for the proposed project (resilience).
